

## Campus Technical Tour

23 Nov 2018 (Friday): 2:00pm to 5:00pm

United World College South East Asia – EAST CAMPUS

Campus tours are a great way to find out more about the design and engineering that goes into a building. To understand UWCSEA design and the unique characteristics of each building in the campus, a technical tour is organised by ASHRAE Singapore Chapter YEA committee. The campus tour will be led by experienced facilities' officers who can answer any questions you may have.

United World College YEA visit

2pm	Assemble at UWCSEA Tampines Campus
2:15pm	Briefing about the campus
2:30pm	Campus Tour
4:30pm	Team photograph and closing remarks by YEACC

For registration, please email your confirmation with your Full Name, Uni/Poly/company details and ASHRAE membership (optional) to [sriman.ncvk@outlook.com](mailto:sriman.ncvk@outlook.com); [pbraajesh@gmail.com](mailto:pbraajesh@gmail.com)

For queries you may email me at the above email ids or WhatsApp at +65 91549715
