Singapore Chapter MP-RP Night & Chinese New Year Celebration

The time is here again for celebration and also to thank all our members for their support throughout the year.

FREE for all Singapore Chapter Members!

We will be having our annual Chinese New Year celebration on the 15th February 2019 (Friday) with “Lo Hei” dinner. In conjunction with this event, we are having our *Membership Promotion (MP)* & *Research Promotion (RP)*.

At the member’s night, CAMFIL Group will give a talk on “**Energy Classification for General Ventilation Air Filters**”

ISO 16890 defines testing procedures and a classification system for air filters used in general ventilation equipment. This new standard provides the first opportunity for global harmonisation as it proceeds to replace the two existing localised standards; ASHRAE 52.2 which is dominant in USA and EN779:2012 which is dominant in Europe. Both standards coexist in Asia and the Middle East.

Schedule of the Night:

- 6.00pm – Registration
- 6.30pm – Lion Dance Performance
- 7.00pm – Lo Hei/ Dinner
- 7.15pm – Energy Classification for General Ventilation Filter by Ms. Florence Chan, Managing Director (Camfil Singapore Pte Ltd)
- 8.00pm – ASC Constitution
- 8.45pm – Lucky Draw
